ACTIVECAMPAIGN COMMON FAQs

Frequently Asked Questions

[What is ActiveCampaign?](#)[How does ActiveCampaign work?](#)[Do I need a lot of technical experience to use ActiveCampaign?](#)

You don't need to be a developer or a designer to use ActiveCampaign. Anyone can create email marketing campaigns and marketing automations on our platform. Our [Automation Recipe Library](#) contains hundreds of pre-built automations — no coding skills are required. If you do find yourself needing some help, feel free to reach out to our support team through our [Contact page](#), or visit our [Support Center](#).
